

EQUIPMENT

School equipment may be used by staff members and/or students only for school-related tasks. District equipment may not be used for personal reasons.

When school equipment is not being used by students or staff, school-connected organizations may be granted reasonable use of the equipment for school-related matters. Actual costs of services such as copying shall be paid by the group rather than by the district.

(cf. 1230 - School-Connected Organizations)

The consent of the principal is required if district-owned equipment is removed from the school site.

When any equipment is taken off-site for school related use, the employee is responsible for its safe return and shall be fully liable for any loss or damage.
