

CHRONIC ABSENCE AND TRUANCY

The Governing Board believes that absenteeism, whatever the cause, may be an early warning sign of poor academic achievement and may put students at risk of dropping out of school. The Board desires to ensure that all students attend school in accordance with the state's compulsory education law and take full advantage of educational opportunities provided by the district.

(cf. 5113 - Absences and Excuses)

(cf. 5113.11 - Attendance Supervision)

The Superintendent or designee shall establish a system to accurately track student attendance in order to identify individual students who are chronic absentees and truants, as defined in law and administrative regulation, and to identify patterns of absence throughout the district.

(cf. 0400 - Comprehensive Plans)

(cf. 0420 - School Plans/Site Councils)

(cf. 0450 - Comprehensive Safety Plan)

(cf. 0460 - Local Control and Accountability Plan)

(cf. 0500 - Accountability)

The Superintendent or designee shall develop strategies that focus on prevention of attendance problems, which may include, but are not limited to, efforts to provide a safe and positive school environment, relevant and engaging learning experiences, school activities that help develop students' feelings of connectedness with the school, school-based health services, and incentives and rewards to recognize students who achieve excellent attendance or demonstrate significant improvement in attendance. The Superintendent or designee also shall develop strategies that enable early outreach to students as soon as they show signs of poor attendance.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

(cf. 5126 - Awards for Achievement)

(cf. 5131 - Conduct)

(cf. 5131.2 - Bullying)

(cf. 5137 - Positive School Climate)

(cf. 5141.6 - School Health Services)

(cf. 5145.3 - Nondiscrimination/Harassment)

The Superintendent or designee shall consult with students, parents/guardians, school staff, and community agencies, as appropriate, to identify factors contributing to chronic absence and truancy.

The Superintendent, attendance supervisor, or designee shall develop a tiered approach to reducing chronic absence. Such an approach shall include strategies for preventing attendance problems, which may include, but are not limited to, efforts to provide a safe and positive school environment, relevant and engaging learning experiences, school activities that help

CHRONIC ABSENCE AND TRUANCY (continued)

develop students' feelings of connectedness with the school, school-based health services, letters alerting parents/guardians to the value of regular school attendance, and incentives and rewards to recognize students who achieve excellent attendance or demonstrate significant improvement in attendance.

The tiered approach shall also provide for early outreach to students as soon as they show signs of poor attendance or if they were chronically absent in the prior school year. Early intervention may include personalized outreach, individual attendance plans, and/or mentoring to students with moderate levels of chronic absence, with additional intensive, interagency wrap-around services for students with the highest level of absence.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

(cf. 5126 - Awards for Achievement)

(cf. 5137 - Positive School Climate)

(cf. 5141.6 - School Health Services)

(cf. 5145.3 - Nondiscrimination/Harassment)

Interventions for students with serious attendance problems shall be designed to meet the specific needs of the student and may include, but are not limited to, health care referrals, transportation assistance, counseling for mental or emotional difficulties, academic supports, efforts to address school or community safety concerns, discussions with the student and parent/guardian about their attitudes regarding schooling, or other strategies to remove identified barriers to school attendance. The Superintendent or designee may collaborate with child welfare services, law enforcement, courts, public health care agencies, other government agencies, and/or medical, mental health, and oral health care providers to make alternative educational programs and support services available for students and families.

CHRONIC ABSENCE AND TRUANCY (continued)

Students who are identified as truant shall be subject to the interventions specified in law and administrative regulation.

(cf. 5113.12 - District School Attendance Review Board)

The Superintendent or designee shall ensure that staff assigned to fulfill attendance-related duties are trained in implementing a trauma-informed approach to chronic absence and receive information about the high correlation between chronic absence and exposure to adverse childhood experiences.

(cf. 4131 - Staff Development)

A student's truancy, tardiness, or other absence from school shall not be the basis for his/her suspension or expulsion. Alternative strategies and positive reinforcement for attendance shall be used whenever possible.

(cf. 5144 - Discipline)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

The Superintendent or designee shall periodically report to the Board regarding the district's progress in improving student attendance rates for all students and for each numerically significant student population. Such information shall be used to evaluate the effectiveness of strategies implemented to reduce chronic absence and truancy and to make changes as needed. As appropriate, the Superintendent or designee shall engage school staff in program evaluation and improvement and in the determination of how to best allocate available community resources.
