

PRESCHOOL/EARLY CHILDHOOD EDUCATION

The Governing Board recognizes the value of high-quality preschool experiences to enhance children's social-emotional development and acquisition of instructional knowledge, skills, and abilities. The Board desires to provide a supervised, and cognitively rich learning environment designed to facilitate the transition to kindergarten for three- and four-year-old children.

The Superintendent or designee shall collaborate with the local child care and development planning council, the county office of education, other public agencies, organizations, and/or private preschool providers to assess the availability of preschool programs in the community and the extent to which the community's preschool needs are being met. The Board encourages the development of a comprehensive districtwide and/or countywide plan to increase children's access to high-quality preschool programs.

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)

(cf. 1700 - Relations Between Private Industry and the Schools)

(cf. 5148 - Child Care and Development)

The Superintendent or designee shall provide information about preschool options in the community to parents/guardians upon request.

To receive preschool services, a child and the child's parent(s)/guardian(s) shall be required to provide evidence of residency in California. However, any person identified as experiencing homelessness shall only be required to submit a declaration that the person resides in California. (5 CCR 17745)

Preschool eligibility determinations shall be made without regard to a child's immigration status or that of the child's parent(s)/guardian(s) unless the child or the child's parent(s)/guardian(s) are under a final order of deportation from the United States Department of Homeland Security. (5 CCR 17745)

District Preschool Programs

When the Board determines that it is feasible, the district may contract with the California Department of Education (CDE) to provide preschool services in facilities at or near district schools, either directly or through a subcontract with a public or private provider.

District preschool programs shall comply with all health and safety laws and regulations, including, when applicable, licensure requirements pursuant to 22 CCR 101156.

The Board shall approve, for the district's preschool program, a written philosophical statement, goals, and objectives that reflect the cultural and linguistic characteristics of the families to be served and address the program components specified in 5 CCR 18272-18281 and the accompanying administrative regulation. (5 CCR 18271)

The Board shall set priorities for establishing or expanding services as resources become available, giving consideration to the benefits of providing early education programs for at-risk children and/or children residing in the attendance areas of the lowest performing district schools.

(cf. 6171 - Title I Programs)

PRESCHOOL/EARLY CHILDHOOD EDUCATION (continued)

Preschool classroom needs shall be addressed in the district's facilities master plan, including an assessment as to whether adequate and appropriate space exists on school sites. As necessary, the Superintendent or designee shall provide information to the Board regarding facilities financing options for preschool classrooms and/or facilities available through partnering organizations or agencies.

(cf. 1330.1 - Joint Use Agreements)

(cf. 7110 - Facilities Master Plan)

(cf. 7210 - Facilities Financing)

Because parents/guardians are essential partners in supporting the development of their children, the Superintendent or designee shall involve them in program planning.

(cf. 5020 - Parent Rights and Responsibilities)

(cf. 6020 - Parent Involvement)

The Superintendent or designee shall coordinate the district's preschool program, transitional kindergarten program (TK), and elementary education program to provide a developmental continuum that builds upon children's growing skills and knowledge.

A child's eligibility for TK enrollment shall not impact family eligibility for a preschool or child care program. (Education Code 8205, 48000)

(cf. 6011 - Academic Standards)

(cf. 6170.1 - Transitional Kindergarten)

The district's program shall be aligned with preschool learning foundations and curriculum frameworks developed by CDE which identify the knowledge, skills, and competencies that children typically attain as they complete their first or second year of preschool. The program shall be designed to facilitate children's development in essential skills in the areas of language and literacy, mathematics, physical development, health, visual and performing arts, science, history-social science, English language development, and social-emotional development.

The Superintendent or designee shall identify dual language learners in district preschool programs, and shall collect and report related data to CDE as required by Education Code 8241.5. The district's preschool program shall include activities and services that meet the needs of dual language learners for support in the development of their home language and English. (Education Code 8203)

The district's preschool program shall serve children with exceptional needs as required by Education Code 8208. Children with exceptional needs attending any CSPP Program shall be educated in the least restrictive environment in accordance with 20 USC 1412.

The district's preschool program shall include activities and services that meet the needs of dual language learners for support in the development of their home language and English. (Education Code 8203)

PRESCHOOL/EARLY CHILDHOOD EDUCATION (continued)

The district's preschool program shall provide appropriate services to support the needs of at-risk children.

(cf. 6173.2 - Education of Children of Military Families)
(cf. 6174 - Education for English Learners)
(cf. 6175 - Migrant Education Program)

(cf. 3550 - Food Services/Child Nutrition Program)
(cf. 5030 - Student Wellness)
(cf. 5141.31 - Immunizations)
(cf. 5141.32 - Health Screening for School Entry)
(cf. 5141.6 - School Health Services)

The district shall encourage volunteerism in the program and shall communicate frequently with parents/guardians of enrolled children regarding their child's progress.

(cf. 1240 - Volunteer Assistance)

The Superintendent or designee shall ensure that administrators, teachers, and paraprofessionals in district preschool programs possess the appropriate permit(s) issued by the Commission on Teacher Credentialing, meet any additional qualifications established by the Board, and participate in professional development opportunities designed to continually enhance their knowledge and skills.

(cf. 4231 - Staff Development)
(cf. 4331 - Staff Development)

Preschool admissions policies and procedures shall be in writing and available to the public. Such policies and procedures shall include criteria designating those children whose needs can be met by the program and services, the ages of children who will be accepted, program activities, any supplementary services provided, any field trip provisions, any transportation arrangements, food service provisions, and a health examination requirement. (CCR 18105; 22 CCR 101218)

The Superintendent or designee shall ensure that subsidized preschool is provided to eligible families to the extent that state and/or federal funding is available and shall establish enrollment priorities in accordance with Education Code 8208 and 5 CCR 18106.

PRESCHOOL/EARLY CHILDHOOD EDUCATION (continued)

The Superintendent or designee shall recommend strategies to link the district's preschool program with other available child care and development programs in the district or community in order to assist families whose child care needs extend beyond the length of time that the district's preschool program is offered.

The Superintendent or designee shall ensure that the plan to provide access to full-day learning programs the year before kindergarten addresses the needs of preschool children and their families as specified in BP 6170.1- Transitional Kindergarten. (Education Code 8281.5)

The Superintendent or designee shall develop and implement an annual plan of evaluation which conforms to state requirements. (5 CCR 17709-17711)

The district's uniform complaint procedures, with modifications as necessary, shall be used to investigate and resolve complaints alleging violation of applicable health or safety requirements for license-exempt programs operating under the California State Preschool Program. However, licensed programs shall refer complaints alleging health and safety violations to the California Department of Social Services. (Education Code 8212; 5 CCR 4610, 4611, 4690-4694)

(cf. 1312.4 - Williams Uniform Complaint Procedures)

The district shall give priority for part-day CSPP programs as follows: (Education Code 8210)

PRESCHOOL/EARLY CHILDHOOD EDUCATION (continued)

- ranking on the most recent schedule of income ceiling eligibility table, as published by the Superintendent of Public Instruction (SPI) at the time of enrollment, shall be enrolled first.
3. The third priority shall be given to eligible four-year-old children who are not enrolled in a state-funded transitional kindergarten (TK) program. This priority shall not include children eligible for enrollment as children with exceptional needs pursuant to Education Code 8208 (a)(1)(E), who are from families with incomes above the income eligibility threshold, as described in Education Code 8213. Within this priority category, eligible children with the lowest income according to the income ranking on the most recent schedule of income ceiling eligibility table, as published by the SPI at the time of enrollment, shall be enrolled first.
 4. If two or more families have the same income ranking according to the most recent schedule of income ceiling eligibility table, a child from a family in which the primary home language is a language other than English shall be enrolled first. If there are no children from such a family, the child that has been on the waiting list for the longest time shall be admitted first.
 5. The fourth priority shall be given to eligible three-year-old children. This priority shall not include children eligible for enrollment as children with exceptional needs pursuant to Education Code 8208 (a)(1)(E), who are from families with incomes above the income eligibility threshold, as described in Education Code 8213. Enrollment determinations within this priority category shall be made in the same way as for third priority in Item #3 above.
 6. The fifth priority, after all otherwise eligible children have been enrolled, shall be given to children from families whose income is no more than 15 percent above the eligibility income threshold, as described in Education Code 8213. Within this priority category, priority shall be given to three- and four-year-old children with exceptional needs interested in enrolling beyond those already enrolled in the 10 percent of funded enrollment set aside pursuant to Education Code 8208, then to four-year old children before three-year-old children without exceptional needs.
 7. After all otherwise eligible children have been enrolled in the first through fifth priority categories, as described in Items #1-5 above, the district may enroll other children in the following order:
 - a. A CSPP program site operating within the attendance boundary of a school where at least 80 percent of students are eligible for free and reduced-price meals as described in Education Code 8217 may enroll any three- or four-year-old children whose families reside within the attendance boundary of the qualified elementary school. These children shall, to the extent possible, be enrolled by lowest to highest income according to the most recent schedule of income ceiling eligibility table.

- b. Children enrolling in a CSPP program that provides expanded learning and care to TK or kindergarten students, pursuant to Education Code 48000

The Superintendent or designee shall consult the county's centralized eligibility list, when available, or shall maintain a district waiting list in accordance with admission priorities. As vacancies occur, applicants shall be contacted in order of their priority. (5 CCR 18106)

First priority for enrollment in a preschool program shall be given to neglected or abused children ages 3-4 who are recipients of child protective services or who, based upon written referral from a legal, medical, or social service agency, are at risk of being neglected, abused, or exploited. If unable to enroll a child in this category, the district shall refer the child's parent/guardian to local resource and referral services so that services for the child can be located. (Education Code 8236; 5 CCR 18131)

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)

(cf. 1700 - Relations Between Private Industry and the Schools)

After all children with first priority are enrolled, the district shall give second priority to eligible children 4 years of age who are not enrolled in a transitional kindergarten (TK) program prior to enrolling eligible children 3 years of age. (Education Code 8236)

In addition, after enrolling all eligible children, up to 10 percent of the program's enrollment, calculated throughout the entire contract, may be filled with children who exceed the age limitations and children whose family income exceeds the income eligibility threshold by no more than 15 percent. (Education Code 8235; 5 CCR 18133)

The district may certify eligibility and enrollment up to 120 calendar days prior to the first day of the beginning of the preschool year. After establishing eligibility at the time of initial enrollment, a child shall remain eligible for the remainder of the program year. (Education Code 8237; 5 CCR 18082)

The district's decision to approve or deny a child's enrollment shall be communicated to the family through a written Notice of Action mailed or delivered within 30 days from the date the application is signed by the parent/guardian. (5 CCR 18094, 18095, 18118)

(cf. 5145.6 - Parental Notifications)

Subsequently, the Superintendent or designee shall mail or deliver a Notice of Action to a parent/guardian at least 14 calendar days before any intended change in services, including, but not limited to, an increase or decrease in fees, an increase or decrease in the amount of services, or termination of services, due to any of the following circumstances: (5 CCR 18095, 18119)

1. A determination during recertification or update of the application that the need or eligibility requirements are no longer being met or the fee or amount of service needs to be modified
2. Failure of the parent/guardian to document the family's need or eligibility after the district requested such documentation in writing

PRESCHOOL/EARLY CHILDHOOD EDUCATION (continued)

3. An indication by the parent/guardian that he/she no longer wants the service
4. The death of a parent/guardian or child
5. The conclusion of a limited-term agreement, provided that the parent/guardian has been informed in writing of the date that the services would terminate

For each child enrolled in the district's preschool program, the Superintendent or designee shall maintain a family data file including, but not limited to, a completed and signed application for services, documentation of income eligibility, and a copy of all Notices of Action. For each child not receiving subsidized services, the family data file shall also include records of the specific reason(s) for enrolling each child, the child's family income, and evidence that the district has made a diligent search for children eligible for subsidized services. When a child is eligible for both the preschool program and the district's TK program, the district may place the child in a classroom which is commingled with children from both programs as long as the commingled program meets all of the requirements of each program as well as the following requirements: (Education Code ~~8235~~ 8207, 48000)

1. An early childhood environment rating scale, as specified in 5 CCR 18281, shall be completed for the classroom.
2. All children enrolled for 10 or more hours per week shall be evaluated using the Desired Results Developmental Profile, as specified in 5 CCR 18272.
3. The classroom shall be taught by a teacher who holds a credential issued by the Commission on Teacher Credentialing in accordance with Education Code 44065 and 44256.
4. The classroom shall comply with the adult-child ratio specified in Education Code 8264.8.
5. Contractors of the district shall report the services, revenues, and expenditures for children in the preschool program in accordance with 5 CCR 18068.

PRESCHOOL/EARLY CHILDHOOD EDUCATION (continued)

Fees and Charges

Fees for participation in the district's full-day CSPP program shall be assessed and collected in accordance with the fee schedule established by the SPI in conjunction with the California Department of Social Services. (Education Code 8252)

However, for the 2022-2023 school year, family fees shall not be collected as specified in Education Code 8252.

In addition, no fee shall be charged to an eligible family whose child is enrolled in a part-day preschool program or a family that is receiving CalWORKs cash aid. (Education Code 8253; 5 CCR 17735)

A family may be exempt from the fees for up to 12 months for any child enrolled in full-day preschool on the basis of being the recipient of child protective services or as being, or at risk of being, abused or neglected. (Education Code 8253)

The Superintendent or designee shall establish a process that involves parents/guardians in determining whether to require parents/guardians to provide diapers and/or whether and how much to charge parents/guardians for field trip expenses, within the limit specified in law. A child shall not be denied participation in a field trip due to the parent/guardian's inability or refusal to pay the fee, and no adverse action shall be taken against a parent/guardian for that inability or refusal. (Education Code 8254)

Disenrollment Based on Reduced Funding

When necessary to disenroll families from subsidized preschool services, families shall be disenrolled in reverse priority order for services as specified in Education Code 8210 and 8211 and as described above in the sections "Eligibility and Enrollment Priority for Part-Day CSPP Programs" (Education Code 8214)

1. Children 3 years of age whose families have the highest income in relation to family size shall be disenrolled first, followed by children 4 years of age whose families have the highest income in relation to family size.

At each age level, if two or more families have the same income ranking, the child with disabilities shall be disenrolled last. If there are no families that have a child with disabilities, the child who has received services the longest shall be disenrolled first.

2. Families of children 3 or 4 years of age who are receiving child protective services or who have been documented to be at risk of being neglected or abused, regardless of income, shall be disenrolled last.

Expulsion/Unenrollment Based on Behavior

A district preschool program shall not expel or unenroll a child based on the child's behavior, unless the district first takes the following actions to address the child's behavior: (Education Code 8489.1)

PRESCHOOL/EARLY CHILDHOOD EDUCATION (continued)

1. In writing, inform the parents/guardians of the child's persistent and serious challenging behaviors and consult with the parents/guardians and teacher in an effort to maintain the child's safe participation in the program
2. If the child has an individualized family service plan (IFSP) or individualized education program (IEP), with written parent/guardian consent, contact the agency or district employee responsible for such plan or program to seek consultation in regard to serving the child

(cf. 6159 - Individualized Education Program)

3. If appropriate, consider completing a comprehensive screening of the child, including but not limited to, screening the child's social and emotional development, referring the parents/guardians to community resources, implementing behavior supports within the program, and considering an IEP for the child.

If the district has taken the actions specified in items #1-3 above and the child's continued enrollment would present a serious safety threat to the child or other enrolled children, the district shall refer the parents/guardians to other potentially appropriate placements, the local child care resource and referral agency, or any other referral service available in the local community. Within 180 days of the start of the process, the district may disenroll the child. (Education Code 8222)

A child shall not be suspended from a CSPP program, nor shall a child's parent/guardian be encouraged or persuaded to prematurely pick up a child before the program day ends, except as a last resort in extraordinary circumstances, when a safety threat exists that cannot be eliminated or reduced without the removal of the child.

Before determining that a suspension is necessary, the district shall collaborate with the child's parents/guardians and, as needed, shall use appropriate community resources to determine that no other reasonable option is appropriate.

When suspension is deemed necessary, the district shall help the child return to full participation in the program as soon as possible while ensuring safety, by doing the following:

1. Continuing to engage with the child's parents/guardians and continuing to use appropriate community resources
2. Developing a written plan to document the action and supports needed
3. Providing referrals to appropriate community resources
4. If the child has an IFSP or IEP, contacting, with written parent/guardian consent, the agency responsible for the child's IFSP or IEP, to seek consultation on servicing the child

PRESCHOOL/EARLY CHILDHOOD EDUCATION (continued)

Upon enrollment, the parents/guardians of each child shall be notified, in writing, of the limitations on expulsion, suspension, or any form of disenrollment and how the parents/guardians may file an appeal to CDE in the event of expulsion or suspension. If the district suspends or expels a child from any CSPP program, the district shall, at least 24 hours before the effective date of the suspension or expulsion, issue the child's parents/guardians a written "Notice of Action, Recipient of Services," as described in 5 CCR 17783, informing the parents/guardians of the right to file an appeal of the action directly with CDE no later than 14 calendar days after receiving the notice.

Children with disabilities may only be suspended or expelled in conformance with the procedures and limitations of the Individuals with Disabilities Education Act.

Notice of Action

Upon receiving a parent/guardian's application for services, the Superintendent or designee shall review the application and documentation and shall certify the eligibility of the family or child.

The district's decision to approve or deny a child's enrollment shall be communicated to the family through a written Notice of Action mailed or delivered within 30 days from the date the application is signed by the parent/guardian. (5 CCR 17782)

Subsequently, the Superintendent or designee shall mail or deliver a Notice of Action to a parent/guardian at least 14 calendar days before any intended change in services, including, but not limited to, an increase or decrease in fees, an increase or decrease in the amount of services, or termination of services, due to any of the following circumstances: (5 CCR 17783)

1. A determination during recertification or update of the application that the need or eligibility requirements are no longer being met or the fee or amount of service needs to be modified
2. Failure of the parent/guardian to document the family's need or eligibility after the district requested such documentation in writing
3. An indication by the parent/guardian that the parent/guardian no longer wants the service
4. The death of a parent/guardian or child
5. The conclusion of a limited-term agreement, provided that the parent/guardian has been informed in writing of the date that the services would terminate

PRESCHOOL/EARLY CHILDHOOD EDUCATION (continued)

For each child enrolled in the district's preschool program, the Superintendent or designee shall maintain a family data file including, but not limited to, a completed and signed application for services, documentation of income eligibility, and a copy of all Notices of Action. For each child not receiving subsidized services, the family data file shall also include records of the specific reason(s) for enrolling each child, the child's family income, and evidence that the district has made a diligent search for children eligible for subsidized services. (5 CCR 17758)

Parent Hearing

If a parent/guardian disagrees with any district action to deny his/her child's eligibility for subsidized preschool services, disenroll the child due to a funding shortage, increase or decrease fees, increase or decrease the amount of services, terminate services, or otherwise change the level of services, he/she may file a request for a hearing with the Superintendent or designee within 14 calendar days of the date the Notice of Action was received. Within 10 calendar days of receiving the request for a hearing, the Superintendent or designee shall notify the parent/guardian of the time and place of the hearing, which, to the extent possible, shall be convenient for the parent/guardian. (5 CCR 18120)

The hearing shall be conducted in accordance with the procedures specified in 5 CCR 18120 by a district administrator who is at a staff level higher in authority than the staff person who made the contested decision. Within 10 calendar days after the hearing, the district administrator shall mail or deliver a written decision to the parent/guardian. If the parent/guardian disagrees with the written decision, he/she may, within 14 calendar days, appeal the decision to CDE. (5 CCR 18120-18122)
