English learners shall be provided differentiated English language development instruction which is targeted to their English proficiency level. Such instruction shall be based on sound instructional theory, be aligned with state content standards, emphasize inquiry-based learning and critical thinking skills, and be integrated across all subject areas.

(cf. 6011 - Academic Standards)

(cf. 6141 - Curriculum Development and Evaluation)

(cf. 6161.1 - Selection and Evaluation of Instructional Materials)

(cf. 6161.11 - Supplementary Instructional Materials)

No middle or high school student who is an English learner shall be denied enrollment in any of the following: (Education Code 60811.8)

1. Courses in the core curriculum areas of reading/language arts, mathematics, science, and history-social science, courses required to meet state and local high school graduation requirements, or courses required for middle school grade promotion

However, an English learner who has been enrolled in a school in the United States for less than 12 months or is enrolled in a program designed to develop the basic English skills of newly arrived immigrant students may be denied participation in any such course, if the course of study provided to the student is designed to remedy academic deficits incurred during participation and reasonably calculated to enable the student to attain parity of participation in the standard instructional program within a reasonable length of time after the student enters the school system.

2. A full course load of courses specified in item #1 above
3. Other courses that meet the "A-G" course requirements for college admission or are advanced courses such as honors or Advanced Placement courses, on the sole basis of the student's classification as an English learner

(cf. 0415 - Equity)

(cf. 6141.4 - International Baccalaureate Program)

(cf. 6141.5 - Advanced Placement)

EDUCATION FOR ENGLISH LEARNERS (continued)

The district shall identify in its local control and accountability plan (LCAP) goals and specific actions and services to enhance student engagement, academic achievement, and other outcomes for English learners.

(cf. 0460 - Local Control and Accountability Plan)
(cf. 3100 - Budget)

The Superintendent or designee shall encourage parent/guardian and community involvement in the development and evaluation of programs for English learners. The Superintendent or designee may also provide an English development literacy training program for parents/guardians and community members so that they may better support students' English language development.

(cf. 1220 - Citizen Advisory Committees)
(cf. 6020 - Parent Involvement)

(cf. 4112.22 - Staff Teaching English Learners)

The district shall provide effective professional development to teachers (including teachers in classroom settings that are not the settings of language instruction educational programs), administrators, and other school or community-based organization personnel to improve the instruction and assessment of English learners and enhance staff's ability to understand and use curricula, assessment, and instructional strategies for English Learners. Such Professional development shall be of sufficient intensity and duration to produce a positive and lasting impact on teachers' performance in the classroom. (20 USC 6825)

(cf. 4131 - Staff Development)
(cf. 4231 - Staff Development)
(cf. 4331 - Staff Development)

Staff development shall also address the sociocultural needs of English learners and provide opportunities for teachers to engage in supportive, collaborative learning communities.

Identification and Assessment

The Superintendent or designee shall maintain procedures for the early identification of English learners and an assessment of their proficiency using the state's English Language Proficiency Assessments for California (ELPAC). To oversee test administration, the Superintendent or designee shall annually designate a district ELPAC coordinator and a site coordinator for each test site in accordance with 5 CCR 11518.40-11518.45.

Once identified as an English learner, a student shall be annually assessed for language proficiency until the student is reclassified based on criteria specified in the accompanying administrative regulation.

EDUCATION FOR ENGLISH LEARNERS (continued)

In addition, English learners' academic achievement in English language arts, mathematics, science, and any additional subject required by law shall be assessed using the California Assessment of Student Performance and Progress. As necessary, the test shall be administered with testing variations in accordance with 5 CCR 854.1-854.3. English learners who are in their first 12 months of attending a school in the United States shall be exempted from taking the English language arts assessment to the extent allowed by federal law. (Education Code 60603, 60640; 5 CCR 854.1-854.3)

(cf. 6162.51 - State Academic Achievement Tests)

Formative assessments may be utilized to analyze student performance and appropriately adapt teaching methodologies and instructions.

(cf. 6162.5 - Student Assessment)

Language Acquisition Programs

The district shall offer research-based language acquisition programs that are designed to ensure English acquisition as rapidly and as effectively as possible and that provide instruction to students on the state-adopted academic content standards, including the English language development standards. (Education Code 306; 5 CCR 11300)

At a minimum, the district shall offer a structured English immersion program which includes designated and integrated English language development. In the structured English immersion program, nearly all of the classroom instruction shall be provided in English, but with the curriculum and presentation designed for students who are learning English. (Education Code 305-306; 5 CCR 11309)

For the purpose of determining the amount of instruction to be conducted in English in the structured English immersion program, "nearly all" means that all classroom instruction shall be conducted in English except for clarification, explanation, and support as needed.

In addition, language acquisition programs offered by the district may include, but are not limited to, the following: (Education Code 305-306)

1. A dual-language immersion program that provides integrated language learning and academic instruction for native speakers of English and native speakers of another language, with the goals of high academic achievement, first and second language proficiency, and cross-cultural understanding

(cf. 6142.2 - World Language Instruction)

2. A transitional or developmental program for English learners that provides literacy and academic instruction in English and a student's native language and that enables an English learner to achieve English proficiency and academic mastery of subject matter content and higher order thinking skills, including critical thinking, in order to meet state academic content standards

EDUCATION FOR ENGLISH LEARNERS (continued)

The district's language acquisition programs for grades K-3 shall comply with class size requirements specified in Education Code 42238.02. (Education Code 310)

(Education Code 310; 5 CCR 11310)

(cf. 5145.6 - Parental Notifications)

Whenever a student is identified as an English learner based on the results of the ELPAC, the student's parents/guardians may choose a language acquisition program that best suits their child. To the extent possible, any language acquisition program requested by the parents/guardians of 30 or more students at the school or by the parents/guardians of 20 or more students at any grade level shall be offered by the school. (Education Code 310; 5 CCR 11311)

Visalia, California

EDUCATION FOR ENGLISH LEARNERS**Definitions**

English learner means a student who is age 3-21 years, who is enrolled or is preparing to enroll in an elementary or secondary school, and whose difficulties in speaking, reading, writing, or understanding the English language may be sufficient to deny the student the ability to meet state academic standards, the ability to successfully achieve in classrooms where the language of instruction is English, or the opportunity to participate fully in society. An English learner may include a student who was not born in the United States or whose native language is a language other than English; a student who is Native American or Alaska Native, or a native resident of the outlying areas, who comes from an environment where a language other than English has had a significant impact on the individual's level of English language proficiency; or a student who is migratory, whose native language is a language other than English, and who comes from an environment where a language other than English is dominant. (Education Code 306; 20 USC 7801)

Designated English language development means instruction provided during a time set aside in the regular school day for focused instruction on the state-adopted English language development standards to assist English learners to develop critical English language skills necessary for academic content learning in English. (5 CCR 11300)

Integrated English language development means instruction in which the state-adopted English language development standards are used in tandem with the state-adopted academic content standards. Integrated English language development includes specially designed academic instruction in English. (5 CCR 11300)

Native speaker of English means a student who has learned and used English at home from early childhood and English has been the primary means of concept formation and communication. (Education Code 306)

Identification and Assessments

Upon enrollment in the district, each student's primary language shall be determined through the use of a home language survey. (Education Code 52164.1; 5 CCR 11307, 11518.5)

Any student who is identified as having a primary language other than English as determined by the home language survey, and who has not previously been identified as an English learner by a California public school or for whom there is no record of results from an administration of an English language proficiency test, shall be initially assessed for English proficiency using the English Language Proficiency Assessments for California (ELPAC). Prior to administering the ELPAC, the Superintendent or designee shall notify the student's parent/guardian in writing that the student will be administered the initial ELPAC. (Education Code 313, 52164.1; 5 CCR 11518.5)

Administration of the ELPAC, including the use of variations and accommodations in test administration when authorized, shall be conducted in accordance with test publisher instructions and 5 CCR 11518.5-11518.37.

EDUCATION FOR ENGLISH LEARNERS (continued)

Based on the initial assessment, the student shall be classified either as initially fluent in English proficient or as an English learner. The Superintendent or designee shall notify the student's parent/guardian, in writing, of the results of the ELPAC initial assessment within 30 calendar days after the student's date of initial enrollment, or, if administered prior to the student's initial date of enrollment, up to 60 calendar days prior to such enrollment, but not before July 1 of the school year of the student's initial enrollment. The notice shall indicate whether the student met the ELPAC initial assessment criterion for proficiency and include the district's contact information for use if the parent/guardian has questions or concerns regarding the student's classification. (5 CCR 11518.5)

Each year after a student is identified as an English learner and until the student is redesignated as English proficient, the summative assessment of the ELPAC shall be administered to the student during a four-month period after January 1 as determined by the California Department of Education. (Education Code 313)

(cf. 6159 - Individualized Education Program)

(cf. 6162.51 - State Academic Achievement Tests)

(cf. 6164.6 - Identification and Education Under Section 504)

The Superintendent or designee shall notify parents/guardians of their child's results on the summative assessment of the ELPAC within 30 calendar days following receipt of the results from the test contractor or, if the results are received from the test contractor after the last day of instruction for the school year, within 15 working days of the start of the next school year. (Education Code 52164.1; 5 CCR 11518.15)

(cf. 5145.6 - Parental Notifications)

The parent/guardian of a student participating in, or identified for participation in, a language instruction program supported by federal Title I or Title III funds shall receive notification of the assessment of the student's English proficiency. Such notice shall be provided not later than 30 calendar days after the beginning of the school year or, if the student is identified for program participation during the school year, within two weeks of the student's placement in the program. The notice shall include all of the following: (Education Code 313.2, 440; 20 USC 6312)

1. The reason for the identification of the student as an English learner and the need for placement in a language acquisition program
2. The level of English proficiency, how the level was assessed, and the status of the student's academic achievement

EDUCATION FOR ENGLISH LEARNERS (continued)

3. A description of the language acquisition program in which the student is, or will be, participating, including a description of all of the following:
 - a. The methods of instruction used in the program and in other available programs, including how such programs differ in content, instructional goals, and the use of English and a native language in instruction
 - b. The manner in which the program will meet the educational strengths and needs of the student
 - c. The manner in which the program will help the student develop English proficiency and meet age-appropriate academic standards for grade promotion and graduation
 - d. The specific exit requirements for the program, the expected rate of transition from the program into classes not tailored for English learners, and the expected rate of graduation from secondary school if applicable
 - e. When the student has been identified for special education, the manner in which the program meets the requirements of the student's IEP
4. As applicable, the identification of a student as a long-term English learner or at risk of becoming a long-term English learner, as defined in Education Code 313.1, and the manner in which the program for English language development instruction will meet the educational strengths and needs of such students and help such students develop English proficiency and meet age-appropriate academic standards
5. Information about the parent/guardian's right to have the student immediately removed from a program upon the parent/guardian's request
6. Information regarding a parent/guardian's option to decline to enroll the student in the program or to choose another program or method of instruction, if available
7. Information designed to assist a parent/guardian in selecting among available programs, if more than one program or method is offered

Language Acquisition Programs

Whenever parents/guardians of enrolled students, and those enrolled for attendance in the next school year, request that the district establish a specific language acquisition program in accordance with Education Code 310, such requests shall be addressed through the following process: (5 CCR 11311)

1. The school shall make a written record of each request, including any request submitted verbally, that includes the date of the request, the names of the

EDUCATION FOR ENGLISH LEARNERS (continued)

parent/guardian and student making the request, a general description of the request, and the student's grade level on the date of the request. As needed, the school shall assist the parent/guardian in clarifying the request. All requests shall be maintained for at least three years from the date of the request.

2. The school shall monitor requests on a regular basis and notify the Superintendent or designee when the parents/guardians of at least 30 students enrolled in the school, or at least 20 students in the same grade level, request the same or a substantially similar type of language acquisition program. If the requests are for a multilingual program model, the district shall consider requests from parents/guardians of students enrolled in the school who are native English speakers in determining whether this threshold is reached.
3. If the number of parents/guardians described in item #2 is attained, the Superintendent or designee shall:
 - a. Within 10 days of reaching the threshold, notify the parents/guardians of students attending the school, the school's teachers, administrators, and the district's English learner parent advisory committee and parent advisory committee, in writing, of the requests for a language acquisition program
 - b. Identify costs and resources necessary to implement any new language acquisition program, including, but not limited to, certificated teachers with the appropriate authorizations, necessary instructional materials, pertinent professional development for the proposed program, and opportunities for parent/guardian and community engagement to support the proposed program goals
 - c. Within 60 calendar days of reaching the threshold number of parents/guardians described in item #2 above, determine whether it is possible to implement the requested language acquisition program and provide written notice of the determination to parents/guardians of students attending the school, the school's teachers, and administrators
 - d. If a determination is made to implement the language acquisition program, create and publish a reasonable timeline of actions necessary to implement the program. If a determination is made that it is not possible to implement the program, provide a written explanation of the reason(s) the program cannot be provided.

The district shall notify parents/guardians at the beginning of each school year or upon the student's enrollment regarding the process to request a language acquisition program, including a dual-language immersion program, for their child. The notice shall also include the following: (5 CCR 11309, 11310)

EDUCATION FOR ENGLISH LEARNERS (continued)

1. A description of the programs provided, including structured English immersion
2. Identification of any language to be taught in addition to English when the program includes instruction in a language other than English
3. The manner in which the program is designed using evidence-based research and includes both designated and integrated English language development
4. The manner in which the district has allocated sufficient resources to effectively implement the program, including, but not limited to, certificated teachers with the appropriate authorizations, necessary instructional materials, pertinent professional development, and opportunities for parent/guardian and community engagement to support the program goals
5. The manner in which the program will, within a reasonable period of time, lead to language proficiency and achievement of the state-adopted content standards in English and, when the program includes instruction in another language, in that other language
6. The process to request establishment of a language acquisition program not offered at the school
7. For any dual-language immersion program offered, the specific languages to be taught. The notice also may include the program goals, methodology used, and evidence of the proposed program's effectiveness.

The district shall provide additional and appropriate educational services to English learners for the purposes of overcoming language barriers and academic deficits in other areas of the core curriculum (5 CCR 11302).

Reclassification/Redesignation

English learners shall be reclassified as fluent English proficient when they are able to comprehend, speak, read, and write English well enough to receive instruction in an English language mainstream classroom and make academic progress at a level substantially equivalent to that of students of the same age or grade whose primary language is English and who are in the regular course of study. (Education Code 52164.6)

The criteria used to determine whether an English learner shall be reclassified as fluent English proficient shall include, but not be limited to: (Education Code 313, 52164.6; 5 CCR 11303)

EDUCATION FOR ENGLISH LEARNERS (continued)

1. Assessment of English language proficiency using an objective assessment instrument, including, but not limited to, the ELPAC
2. Evaluation by the student's classroom teacher and any other certificated staff with direct responsibility for teaching and placement decisions related to the student, including, but not limited to, a review of the student's curriculum mastery and academic performance.
3. Parent/guardian involvement, including:
 - a. Notice to parents/guardians of language reclassification and placement, including a description of the reclassification process and the parent/guardian's opportunity to participate

The student's language proficiency assessments, the participants in the reclassification process, and any decisions regarding reclassification shall be retained in the student's permanent record. (5 CCR 11305)

(cf. 5125 - Student Records)

The Superintendent or designee shall monitor students for at least four years following their reclassification to ensure the students have not prematurely exited, any academic deficit incurred through participation in the English learner program has been remediated, and the students are meaningfully participating in the standard instructional program compared to students who had never participated in an English learner program. (5 CCR 11304; 20 USC 6841)

The Superintendent or designee shall monitor students for at least four years following their reclassification to ensure correct classification and placement and to determine whether any additional academic support is needed.

EDUCATION FOR ENGLISH LEARNERS (continued)**Advisory Committees**

A school-level English Learner Advisory Committee (ELAC) shall be established when there are more than 20 English learners at the school. Parents/guardians of English learners, elected by parents/guardians of English learners at the school, shall constitute committee membership in at least the same percentage as English learners represent of the total number of students in the school. The school may designate for this purpose an existing school-level advisory committee provided that it meets these criteria for committee membership. (Education Code 52176; 5 CCR 11308)

The ELAC shall be responsible for assisting in the development of a schoolwide needs assessment, recommending ways to make parents/guardians aware of the importance of regular school attendance, and advising the principal and school staff in the development of a detailed master plan for English learners for the individual school and submitting the plan to the Board for consideration for inclusion in the district master plan. (Education Code 52176)

When the district has more than 50 English learners, the Superintendent or designee shall establish a District English Learner Advisory Committee (DELAC), the majority of whose membership shall be composed of parents/guardians of English learners who are not employed by the district. Alternatively, the district may use a subcommittee of an existing districtwide advisory committee on which parents/guardians of English learners have membership in at least the same percentage as English learners represent of the total number of students in the district. (Education Code 52176)

The DELAC shall advise the Board on at least the following tasks: (5 CCR 11308)

1. Developing a district master plan for education programs and services for English learners, taking into consideration the school site plans for English learners
2. Conducting a districtwide needs assessment on a school-by-school basis
3. Establishing a district program, goals, and objectives for programs and services for English learners
4. Developing a plan to ensure compliance with applicable teacher or aide requirements
5. Administering the annual language census
6. Reviewing and commenting on the district's reclassification procedures
7. Reviewing and commenting on the required written parental notifications

(cf. 0420 - School Plans/Site Councils)

(cf. 1220 - Citizen Advisory Committees)

(cf. 5020 - Parent Rights and Responsibilities)

(cf. 6020 - Parent Involvement)

EDUCATION FOR ENGLISH LEARNERS (continued)

In order to assist the advisory committee in carrying out its responsibilities, the Superintendent or designee shall ensure that committee members receive appropriate training and materials. This training shall be planned in full consultation with the members. (5 CCR 11308)

LCAP Advisory Committee

When there are at least 15 percent English learners in the district, with at least 50 students who are English learners, a district-level English learner parent advisory committee shall be established to review and comment on the district's Local Control and Accountability Plan (LCAP). Such advisory committee shall provide input regarding the district's existing language acquisition programs and language programs, and, where possible, the establishment of other such programs, in accordance with BP 0460 - Local Control and Accountability Plan.

The committee shall be composed of a majority of parents/guardians of English learners. If the DELAC acts as the ELAC pursuant to Education Code 52063 and 52062, the DELAC shall also review and comment on the development or annual update of the LCAP. (Education Code 52062, 52063; 5 CCR 11301, 15495)

(cf. 0460 - Local Control and Accountability Plan)

The DELAC may also serve as the LCAP English learner advisory committee.
